

OSTOMY TEACHING BOOKLETS
REVISED AND REPRINTED FOR 2002

The Birmingham Area ET Nurses have written patient education booklets on Ostomy Care. These booklets are available to an Ostomy patient for information about diet, skin care, activity, travel, clothing, odor control, insurance and sexuality. The booklets provide easy readability with large print, simple terminology, and a 7th grade reading level. Revenue from these booklets help to sponsor children to attend the United Ostomy Association Youth Rally.

The following booklets are available for **\$3.50** each:

(NEW PRICE AS OF APRIL 1, 2003)

Living with your Colostomy, Living with you Ileostomy, and Living with your Urostomy.
